Docket Text:

ELECTRONIC Clerk's Notes for proceedings held before Judge F. Dennis Saylor, IV: Status conference held on 2/15/2013. Case called. Court reviews the status of the case, including the order from the Judicial Panel on Multidistrict Litigation providing for transfer of cases to the District. Counsel reported on developments in the litigation and in the bankruptcy court. The Court will issue an initial procedural order as to the MDL cases. The Court continued the temporary stay of discovery pending further order. The Court extended the time in which a defendant must answer or otherwise respond to the complaint to a date to be set by future order. Counsel and the Court discussed various methods of selecting lead or liaison counsel for the MDL proceeding and/or the pending class actions. The Court ruled that the process of appointing lead counsel will proceed in two stages. First, counsel may submit proposals as to how to set up a structure for counsel, (for example, with lead counsel, liaison counsel, or counsel committees) in the form of a letter to the court to be filed in the MDL proceeding, not to exceed 4 pages in length, on or before February 27, 2013. The Court will then issue an order creating such a structure, and shall set out the process by which counsel shall be selected. A further status conference is set for March 12, 2013, at 3:00 PM before Judge F. Dennis Saylor IV in Courtroom 2.
